# Dedication

At the turn of the half-century, West Virginia Wesleyan College received into its midst a group of eager-looking freshmen. Through four years, Wesleyan has seen the untiring efforts of this class—doing more than its share on the campus. This was the class of '54.

We, the staff of the MURMURMONTIS, are proud to dedicate this annual to the senior class. To them we say good luck, happy memories, and every wish for a successful future.

## FOOTBALL

Football returned to Wesleyan's campus this year, for the first time since 1950. Dave Reemsnyder took over the reins and guided the Bobcat eleven to one victory in 5 starts. One victory was more than the dopsters had expected to come from this team of youngsters. Herb Leffard and Ron Faust were the only seniors on the team, so it looks like better times are to come. Herb, the only player left from 1950 team was elected captain.

Here's how the season went:

Bethany (H)	6-20
Salem (A)	19-7
Glenville (H)	0-13
Fairmont (H)	7-20
Potomac State (H)	0-31

## HOCKEY TEAM

Wesleyan's girls' hockey team was the only team to come through undefeated this year. The Bobkittens paced by Jean Cross and Patty Wilt had a string of five victories and were only scored on once. Jean scored 6 times while Patty had 5 goals. This year marked the first time that the girls were awarded sweaters for their efforts on the hockey field. They are looking forward to another good season next year, because they are only losing two seniors. Joyce Pustinger, and this year's captain, Bobbie Collins were graduated in the Spring.

West Virginia University	5-0

The first of the new sports to hit Wesleyan's campus this year was cross-country. Fred Messersmith, the Art instructor became a track coach and had a pretty good squad. Coach Hank Ellis and his Bobcat basketball team had a rough time getting started, losing the first five contests. After this start, they spent all season trying to even up the record, but ended up with an 8-18 record. The record doesn't tell the complete story though, because nine of the losses were suffered by seven or fewer points. Two of the biggest games of the season were the 84-81 victory over VMI and the 102-91 victory over Morris Harvey on their home court. Ed Hood, Harp O'Toole, and Tommy Rutherford led the Bobcats in scoring. Hood broke all of the single season scoring records by tallying 574 points. O'Toole had 392 and Rutherford garnered 375.

Kelley, Coach Hank Ellis. THIRD ROW: B. Smyth (Mgr), G. DeMertgis, D. Wiseman, H. Hirsch, B. Fries, D. Cuccinota, L. Franklin

The Bobcat baseball team coached by Hank Ellis turned in a 7-8 slate. Again the record cannot tell the whole story, because four of the losses were by a one run margin and two others were decided by two tallies. The Bobcats also were extended into extra innings five times during the season. LeRoy Jones and Elmer Houdashelt paced the Ellismen in the pitching department. Jones recorded 4 of the victories while compiling a very creditable 2.25 earned run average. Houdashelt accounted for the other 3 wins and had an ERA of 2.61. Houdashelt also sparked the team at bat with a .452 average.

Another new sport on Wesleyan's campus this year was track, coached by Fred Messersmith. The Bobcat thinclads only participated in three meets, but in the last one they really proved themselves. This was in the state meet at Wheeling. With only five men making the trip, they garnered enough points to gain a tie for second place. Ed Hood, Jim Powell, Walt Collins, Luvall Wilson and Harry Fisher were the five. Fisher and Herb Leffard were consistent winners for the Bobcats all season. Fisher in the 880, mile, and 2-mile runs, and Leffard in the shot put event.
